METROLOGY TECH 1

July 6 – August 5; Tuesday – Thursday
2:30–5:00pm – $300.00

This course introduces the care and use of precision measuring instruments. Emphasis is placed on the inspection of machine parts and use of a wide variety of measuring instruments. Also, this course introduces methods in the setup and operation of coordinate measuring machines. Upon completion, students will be able to demonstrate the correct use of measuring instruments.
